# A BILL

To provide assistance for poison prevention and to stabilize the funding of regional poison control centers.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,

#### 1 SECTION 1. SHORT TITLE.

- 2 This Act may be cited as the "Poison Control Center"
- 3 Enhancement and Awareness Act".
- 4 SEC. 2. FINDINGS.

- 5 Congress makes the following findings:
- 6 (1) Each year more than 2,000,000 poisonings
  7 are reported to poison control centers throughout
  8 the United States. More than 90 percent of these
  9 poisonings happen in the home. 53 percent of poisoning victims are children younger than 6 years of
  11 age.
  - (2) Poison control centers are a valuable national resource that provide life-saving and cost-effective public health services. For every dollar spent on poison control centers, \$7 in medical costs are saved. The average cost of a poisoning exposure call is \$32, while the average cost if other parts of the medical system are involved is \$932. Over the last 2 decades, the instability and lack of funding has resulted in a steady decline in the number of poison control centers in the United States. Within just the last year, 2 poison control centers have been forced to close because of funding problems. A third poison control center is scheduled to close in April 1999. Currently, there are 73 such centers.

- 1 (3) Stabilizing the funding structure and in-
- 2 creasing accessibility to poison control centers will
- 3 increase the number of United States residents who
- 4 have access to a certified poison control center, and
- 5 reduce the inappropriate use of emergency medical
- 6 services and other more costly health care services.

## 7 **SEC. 3. DEFINITION.**

- 8 In this Act, the term "Secretary" means the Sec-
- 9 retary of Health and Human Services.
- 10 SEC. 4. ESTABLISHMENT OF A NATIONAL TOLL-FREE

11	SEC. 6. ESTABLISHMENT OF A GRANT PROGRAM.
12	(a) REGIONAL POISON CONTROL CENTERS.—The
13	Secretary shall award grants to certified regional poison
14	control centers for the purposes of achieving the financial
15	stability of such centers, and for preventing and providing
16	treatment recommendations for poisonings.
17	(b) OTHER IMPROVEMENTS.—The Secretary shall
18	also use amounts received under this section to—
19	(1) develop standard education programs;
20	(2) develop standard patient management pro-
21	tocols for commonly encountered toxic exposures;
22	(3) improve and expand the poison control data
23	collection systems;
24	(4) improve national toxic exposure surveillance
25	and

- 1 (5) expand the physician/medical toxicologist
  2 supervision of poison control centers.
- 3 (e) CERTIFICATION.—Except as provided in sub-4 section (d), the Secretary may make a grant to a center 5 under subsection (a) only if—
  - (1) the center has been certified by a professional organization in the field of poison control, and the Secretary has approved the organization as having in effect standards for certification that reasonably provide for the protection of the public health with respect to poisoning; or
    - (2) the center has been certified by a State government, and the Secretary has approved the State government as having in effect standards for certification that reasonably provide for the protection of the public health with respect to poisoning.

# (d) Waiver of Certification Requirements.—

(1) In GENERAL.—The Secretary may grant a waiver of the certification requirement of subsection (e) with respect to a noncertified poison control center or a newly established center that applies for a grant under this section if such center can reasonably demonstrate that the center will obtain such a certification within a reasonable period of time as determined appropriate by the Secretary.

- 1 (2) Renewal.—The Secretary may only renew
- 2 a waiver under paragraph (1) for a period of 3
- 3 years.
- 4 (e) SUPPLEMENT NOT SUPPLANT.—Amounts made
- 5 available to a poison control center under this section shall
- 6 be used to supplement and not supplant other Federal,
- 7 State, local or private funds provided for such center.
- 8 (f) Maintenance of Effort.—A poison control
- 9 center, in utilizing the proceeds of a grant under this sec-
- 10 tion, shall maintain the expenditures of the center for ac-
- 11 tivities of the center at a level that is not less than the
- 12 level of such expenditures maintained by the center for
- 13 the fiscal year preceding the fiscal year for which the
- 14 grant is received.
- 15 (g) MATCHING REQUIREMENT.—The Secretary may
- 16 impose a matching requirement with respect to amounts
- 17 provided under a grant under this section if the Secretary
- 18 determines appropriate.
- 19 (h) AUTHORIZATION OF APPROPRIATIONS.—There is
- 20 authorized to be appropriated to earry out this section,
- 21 \$25,000,000 for each of the fiscal years 2000 through
- $22 \frac{2004}{1}$
- 23 SECTION 1. SHORT TITLE.
- 24 This Act may be cited as the "Poison Control Center"
- 25 Enhancement and Awareness Act".

### 1 SEC. 2. FINDINGS.

- 2 Congress makes the following findings:
- 3 (1) Each year more than 2,000,000 poisonings 4 are reported to poison control centers throughout the 5 United States. More than 90 percent of these 6 poisonings happen in the home. 53 percent of poi-7 soning victims are children younger than 6 years of 8 age.
  - (2) Poison control centers are a valuable national resource that provide life-saving and cost-effective public health services.
